STAT

The enclosed brochure is the result of a year-long House Armed Services Committee examination of seven major strategic weapons systems

The findings have been shaped into four speeches delivered on the floor of the House which recount the triumphs, failures and lessons learned in this area.

I hope you'll find it interesting.

VL-231-IR

by Rep. Les Aspin

Chairman

House Armed Services Committee

**Acquiring Strategic Weapons:  
Are working  
nukes just flukes?**
